In today's competitive market, knowing your customers is the key to keeping your customers.

Solvis Consulting

A full-service consultant company specializing in Customer Relationship Management (CRM). We help companies develop and deploy effective, efficient, technically savvy marketing, sales, and service solutions to help you grow - and more importantly - maintain your customers.

The Solvis Consulting Advantage:

- A Team of consultants with in-depth CRM architecture experience.
- Knowledge of many CRM software and packages.
- Process expertise executing customer initiatives and change management.
- A bilingual team - fluent in English and Spanish - with experience in the Latin American region, as well as the U.S., Puerto Rico and Canada
- Seasoned consultants with a minimum of 15 years experience as systems integrators.

Unlocking the solution to customer relations

We also operate in Atlanta, Mexico City and Buenos Aires
